By Roj Gomez

Based on the characters from "The Loud House" by Chris Savino

Act 1

("Pumped Up Kicks [Loud House version]" playing)

Today is a brand-new morning in Royal Woods City. Lincoln Loud, a white-haired twenty-year-old boy, is preparing his things for his meeting with his friend Ronnie Anne Santiago, a Mexican-American girl from Great Lakes City. He is preparing all of his clothes, gifts to give his friends, gadgets, and swimming gear to bring on vacation.

Rita: Lincoln, hurry up! Ronnie Anne is waiting for you.

Lincoln: Coming, Mom! I'm all prepared! (when he leaves the house) See you next time, Mom and Dad!

Lynn Sr.: Bye, son! Enjoy your hangout with Ronnie Anne.

Meanwhile, Ronnie Anne, arriving at Lincoln's house, is also prepared for her trip around the world. She also has her baggage prepared.

Ronnie Anne (opening the van's door): Hola, Señor Lincoln! Do you wanna come with me on the adventure?

Lincoln: Sure, Ronnie Anne. Your mom is driving a van, so I will put my baggage in the trunk.

Ronnie Anne: Okay. My mom will help us with that.

Maria Santiago: (grunts) Here you go, niños. Now, let's go!

Both: Okay!!!

Maria Santiago's van drives away, as Lincoln's parents wave them goodbye.

Rita (bursting into tears): I miss my son so much!

Lynn Sr.: Me too!

While Maria Santiago drives on the van.....

Man (singing on van's radio): All the other kids with the pumped-up kicks,
You better run, better run outrun my gun!
All the other kids with the pumped-up kicks,
You better run, better run faster than my bullet!
All the other kids with the pumped-up kicks,
You better run, better run outrun my gun!
All the other kids with the pumped-up kicks,
You better run, better run faster than my bullet....

A few hours later, they are at Royal Woods Airport.

Maria (when the van stops): Okay, we're here! You can drop your baggage now. (grunts)

(Both grunting while carrying the bags)

Both: Thank you!

Ronnie Anne: Bye, mom!

Lincoln: Bye, Mrs. Santiago!

Maria: ¡Adiós, niños!

The van drives away as Lincoln and Ronnie Anne wave goodbye.

When they are in the Royal Woods Airport.....

Lincoln (sobbing): I miss my best friend Clyde so much!

Ronnie Anne (sobbing): Me too! I miss Sid so much.

Lincoln: Yeah! I want to invite them to join us next time!

Ronnie Anne: Me too, amigo. (Pauses) Let's show our baggage to the flight attendant, and let's get our plane tickets ready for the trip.

Announcer on the PA: Ladies and gentlemen, your flight to Tokyo is scheduled for 9:35 PM. Please get your passports ready.

("Trip to Japan" by The Shacks playing)

Lincoln and Ronnie Anne are putting the baggage for the check-in, then they wait at the boarding gate, then they have a plane ride going to Japan.

Radio (singing): I took a trip to Japan,
I was a child again!
And then I flew back to bed.
And that was the end....

A few hours later, Lincoln and Ronnie Anne arrive in Tokyo, Japan.

Announcer on the PA: Ladies and gentlemen, we are now in Tokyo Japan. Thank you for choosing Royal Woods Air.

They get off the plane to claim their baggage. Afterwards, they get some Japanese yen to use during their trip.

Suddenly, a teenager approaches Lincoln and Ronnie Anne. She is wearing a green sleeveless top and a lime skirt.

Japanese girl: Moshi moshi!!!

(Both gasp)

Japanese girl: My name is Akiko Nakamura. I'm Cory's cousin. I'm actually not used to girly stuff.

Lincoln: Hello, Akiko-chan! Nice to meet you! My name is Lincoln Loud. I'm from Royal Woods, in Michigan.

Ronnie Anne: I'm Ronnie Anne Santiago, from Great Lakes City. You look just like my best friend's sister, Adelaide Chang, but you are one and a half years older than us.

Akiko: Hai! I'm gonna be your new friend. Let's hang!

Akiko Nakamura is twenty-one and a half years old. She tells Lincoln and Ronnie Anne to follow her to the bus station to wait for the bus to come. They then take the bus to go to the hotel.

A few minutes later....

Akiko: Wow! This hotel is amazing.

Lincoln (gasps): It's so cool.

Ronnie Anne: I've not been here before when I was young.

Just then, a red-haired Science-loving villain arrives at the hotel in Japan.

Korean girl: Annyeong, chingudeul!!! My name is Tabitha Roxanne McQueen. I'm one of Chandler McCann's new friends. I'm nineteen years old. I will be your new rival for this year. I like science!

Lincoln (gasping): Uh-oh. She's gonna harass us.

Ronnie Anne: Don't worry, Lincoln. I'll protect you.

Tabitha: I will kidnap all of you right now. (chuckling)

(both scream along with Akiko)

Just then, her friend Zyra Jackson, an orange-haired villain, comes in to be their second rival.

Zyra: Don't you dare, Lincoln and Ronnie Anne! You knuckleheads!

Lincoln (gasps): Oh, no! She will kidnap us!

Ronnie Anne: Not too noisy, Linc. Just calm down.

Tabitha: Guys! This is my friend, Zyra Jackson. She is twenty-one years old. She is another friend to Chandler McCann. Zyra and I asked him for permission before we went on this trip. She's gonna be your second rival.

Zyra: I will cause you all trouble right now!

Akiko (screams): Run away, tomodachi! Run away! Before they catch us!

Lincoln: We need to leave the hotel room! Quick! To the elevator!

Ronnie Anne: We need to run faster, guys! ¡Rapido!

Zyra and Tabitha chase Lincoln and his friends, intending to kidnap them.

Lincoln (laughs): This is gonna be so fun!!!!

Ronnie Anne: Yes, mi amigo! Running away from villains is really nice.

(villains growling frustratedly)

While the villains are trying to catch Lincoln and Ronnie Anne, they run away from the hotel room.

When they leave the hotel.....

Lincoln: Let's go to the pizza restaurant there!

Ronnie Anne: Hurry up, guys! Let's go there!

(door closes)

Zyra (groaning): We lost them!

Tabitha: What will we do now?

After they run to the pizza restaurant, they find a table to dine in. But suddenly, a twenty-two and a half-year-old girl approaches Lincoln and Ronnie Anne. It is the one who came from Oxford. She is wearing a red top with pink hearts and a pink skirt. She uses the word “Literally” a lot.

(“Lollipop” by Tempura Kidz playing)

British girl: Hello, new friends!!! This is my first trip here in Tokyo. My name is Florence Olivia White. My friends call me “Ruby”. I was born in Oxford, Great Britain. I want to be a pop star when I grow up. What are your names?

Lincoln (blushing at her, thinking he has a crush on her): Hi, Florence! Nice to meet you too. I'm Lincoln Loud, from Royal Woods. This is Ronnie Anne Santiago, from Great Lakes City. And this is.... (pauses)

Florence (gasping): Akiko!!! Long time no see! We were separated from our group and I was left alone, and you left for this country! Anyways, Lincoln. Can I join you and your friends?

Lincoln: Sure!

Florence shakes hands with Lincoln and Ronnie Anne, quickly becoming friends. Suddenly, there is a tall, slender, British-German girl who has approached Lincoln and Ronnie Anne.

Lincoln (gasping): Who is that dark-skinned girl over there?

Florence: That's Amanda Schumacher-Browning, my best friend. She has red hair.

Amy (to Lincoln): I have two dads, just like your best friend.

Lincoln: Wait a minute, Amy. You and my best friend Clyde McBride are similar? Both of you have two dads?

Amy: Ja. Wir haben zwei Väter. My dads' names are Lucas Browning and Lewis Schumacher-Browning.

Lincoln: You're right, Amy. (along with Ronnie Anne) Nice to meet you, new friend!

Amy: Nice to meet you too. Now, let's ask the manager for a table.

Back in Lincoln's house, there is a girl who has arrived. It's Kara Torres, the one who joined his group. She is holding her cellphone. It rings for her phone call with Lincoln.

Kara (when she calls Lincoln on the phone): Hello, Lincoln! You are on a trip to Japan with your friends?

Lincoln (on phone): Oh, hey, Kara! I would like you to meet my new friends: Florence White and Akiko Nakamura.

Florence then approaches Lincoln's phone so she can talk to Kara.

Florence (on Kara's phone): Hello, Kara, my new friend! It is my first time hanging out with Lincoln and Ronnie Anne. I live in Oxford, Great Britain. I introduced Amy to them right away!

Kara: Florence!! It's nice to meet you! Are you dating my friend Lincoln in the restaurant?

Florence (on Kara's phone): No, Torres. I'm just his friend, not his girlfriend! Can Akiko talk to you?

Kara: Sure, new friend. But maybe I will call you Ollie Hamilton.

Florence (on Kara's phone, confused): Would it be okay, or what?

Meanwhile, Ronnie Anne's best friend, Sid Chang, arrives at Lincoln's house to meet his sister Lily Loud.

Lily: Hi! I'm Lily, the younger sister of Lincoln Loud. I'm ten years old now.

Sid: Hey, Lily! Nice to meet you too. I'm Sid Chang. I'm twenty-one. Your brother, Lincoln, is in the pizza restaurant with his new friend, Akiko Nakamura. Akiko resembles my sister Adelaide; except she is half a year older than me.

Lily (reacting): She is older than you are? That's good to hear.

Sid: I wish to visit Japan so I can see Ronnie Anne again. She's having dinner with Lincoln and their new friends.

Back in Japan, after dinner....

Lincoln: Let's go to the arcade to play games!

Thai-British boy (in the distance): Sawatdee, everyone!

Ronnie Anne: Who is that boy?

Florence: That's Timothy McLaren, Jr. from Thailand. He's gonna be your new friend.

Ronnie Anne (blushing): Hi, Tim! Do you want to play a racing game with me, amigo?

Tim (making his eyes grow big, thinking he has a crush on Ronnie Anne): Yes, I do! I'm coming, new girl Ronnie Anne!

Lincoln: Bye, Ronnie Anne! See you later!

Florence: See you later, Timmy! (to Lincoln) Let's go to the VR for the ride.

Lincoln: Sure, Hamilton! Let's go!

Meanwhile, Tabitha sneaks into the arcade to approach Lincoln and Florence.

Tabitha (angrily): WHAT ARE YOU TWO DOING?!

Florence (screaming): Oh no! It's Tabitha!

Lincoln: She'll steal our arcade card. Run away!!! To the VR, Flo! Run away before she catches us!

Tabitha: Oh no you don't, Lincoln! I will swipe your credit card for the arcade!

Florence: We need to get in quick! Lincoln, hurry up!

Lincoln: Roger that!

Tabitha: I'm banning you two from VR!!!!

At the arcade, Tim and Ronnie Anne are playing games. Suddenly, another bad girl named Zyra approaches them.

("Shut Up and Drive" by Rihanna playing)

Ronnie Anne: Uh-oh! There's someone trying to steal our credit card!

Tim: It's Zyra! She's approaching us! Quick! Ronnie Anne, you must hide it before she steals it!

Zyra: Are you playing an arcade game, you jerk?! I will look in your pocket, Ronnie Anne, and I will swipe it from you!

Ronnie Anne (screaming): ¡Espera, Zyra! ¡Espera! You might destroy my credit card!

Tim: You need to zip the pocket of your trousers after you hide a credit card! She'll steal it.

Ronnie Anne: ¡Si! I agree, Señor Tim!

Tim: Now, let's go back to racing!

(engine revs on the monitor, Zyra groans)

After the arcade....

Tim: Ronnie Anne and I had fun in the racing game in the arcade! What about you, Lincoln and Florence? How was VR?

Lincoln: It was such a fun rollercoaster ride!

Florence: I literally liked it too!

Tim: Thanks, guys! I hope you both had a fun day in the arcade, and we will see each oth.....

Zyra: I gotcha, Tim and Ronnie Anne! I'm sending both of you to Germany!!! (chuckles)

Lincoln (gasps): Oh, no! Zyra is kidnapping Ronnie Anne! (starts crying)

("Goodbye My Lover" by James Blunt playing)

Florence (patting Lincoln on his shoulder): Don't worry, Linc. We will find her in Germany. Let's just move on.

(Lincoln cries, Akiko approaches him to comfort him)

Akiko: Lincoln, Florence, daijōbudesuka? If you arrive in Germany, you guys will meet with my close friend, Helga Müller-Schmidt. You can ask her about Ronnie Anne.

Lincoln: Okay, Akiko. Florence and I will return to the hotel now. (gives his gift to her) We will see you next time. Sayonara!

Florence: Make sure you remember us.

Akiko: Sayonara, tomodachi!!

Just as Zyra puts Tim and Ronnie Anne's baggage in the bus's trunk, she sends the two kids to the airport, then in a plane heading to Germany.

While they hold their passports and their bags, she traps them in their seats as they fly. After a while, Zyra throws them out of the plane and makes them follow her to the bus going to Frankfurt.

Back in Royal Woods....

Sid: Zyra is kidnapping my best friend Ronnie Anne, and her new friend Tim McLaren! She sent them to Germany!

Lily: Don't worry, Sidney. Ronnie Anne will see you very soon.

("Together We Stand" playing on radio)

Lily (patting Sid to calm down): I will sing you this song to calm you down. (starts singing) Catch my eye. Take my hand! This bond is tighter than we ever planned...

Act 2

The next day, at a hotel in Japan....

(Lincoln yawns)

Lincoln: Good morning, Florence! How was your sleep?

Florence: I slept really well, and I have no nightmares now!

Lincoln: That's good to hear, Florence! Now let's go down for breakfast!

Florence: All right, Linky. Let's go!!!!

After eating breakfast, Lincoln and Florence go back to their hotel room to get ready for the day. Afterwards, Lincoln texts his mom Rita. A few minutes later, the van has arrived to take Lincoln and Florence to the airport.

In the van.....

("Now or Never" by Oh, Hush! and Grayson DeWolfe playing)

Lincoln: Florence, I will find out where Ronnie Anne is... (looks at the map of Germany in the world map) Oh! There it is! She went to Frankfurt, Germany.

Florence: We're still far, Lincoln. We're still on our way to the airport for the plane ride to Germany. Let's prepare our passports. Mine is the British passport, and yours....

Lincoln: It's the American passport. It says that I live in Royal Woods.

Florence: Mine says that I literally live in Oxford. We're now in Tokyo Airport Terminal 2. We can get outta the van now.

(They put the baggage out of the van)

Both: And off we go!!!

In Tokyo international airport....

Announcer on the PA: Ladies and gentlemen, your flight to Berlin is at 5:40 PM. Please standby at Gate 4. The plane will arrive very soon.

Lincoln (sighs): I'm gonna miss Ronnie Anne so much.

Florence (sighing): Me too. I literally miss Tim so much.

(phone rings, beeps)

Lincoln: Hello, Girl Jordan! I miss Ronnie Anne so much! I'm in the airport with Florence. Please say hi to her.

Lincoln passes the phone call to Florence so she can talk to Girl Jordan.

Florence: Hello, buddy! My name is Florence White. I live in Oxford, and I'm at the airport with Lincoln Loud.

Jordan (on the phone): Hi, Florence! Nice to meet you. I'm Jordan Rosato. Better known as "Girl Jordan". You and Lincoln will find Ronnie Anne in Germany. She got kidnapped by a villain named Zyra Jackson.

Florence: Really, Jord? The plane will literally arrive this afternoon.

In Girl Jordan's house....

Jordan: Yeah. Can I talk to Lincoln now?

Florence (on Jordan's phone): Yes, you may. I gotta go. Goodbye!

Jordan: See you next time, Florence!

(Jordan passes the phone call to Lincoln)

Meanwhile, Stella Zhau, a Filipina-American girl, has approached Girl Jordan to talk to her.

Stella (in the distance): Girl Jordan! Girl Jordan! Who are you talking to on the phone?

Jordan: Oh, hi, Stella! I'm talking to Lincoln online on the phone, then I passed the video call to Florence White, a young British lady, so she could talk to me. After that, I passed it back to him.

Stella: I sure do miss him very much. I wish we could meet him in the Tokyo airport.

Jordan: Me too, Stella. I wish we could see him and Florence next time.

A few hours later in the Berlin airport....

Announcer in the PA: Ladies and gentlemen, we have arrived at the Berlin International Airport. Danke schon for choosing Air Germany!

Lincoln: Yay! We're now in Berlin! Even without Ronnie Anne.

Florence: We are now in Germany, Lincoln. But we're not supposed to find Ronnie Anne yet. Let's get our baggage claimed when we get off the aeroplane!

Lincoln: Okay, Flo. We're going to check the passports we have. We should line up at the "Foreign Passport" section at the counter.

After a while, Lincoln and Florence go to the baggage claim station. Suddenly, a former exchange student approaches them.

German girl: Guten Tag, neue Freunde! My name is Helga Müller-Schmidt. I'm twenty-three and a half years old. Welcome to Berlin! What is your name, new boy?

Lincoln: Hallo, Herrin Helga! Nice to meet you. My name is Lincoln Loud. I'm twenty years old. I'm from Royal Woods. (gives his gift to her so she could keep it) I know you resemble Cricket van Doren, Lola Loud's friend.

Florence: Hello! It's me again! Florence. It's so good to see you again, Helga!

Helga: You, too Florence! Long time no see! Come on, Freunde! Let's go find Ronnie Anne!

Both: Roger that!

Lincoln and Florence, along with his new friend, Helga, hurry up for a bus ride to Frankfurt. Suddenly, Tabitha tries to force Lincoln and Florence to drink the neon potion she has made.

("Neon Light" by Blake Shelton playing)

Tabitha: Hahahahaha! I will make you drink the neon potion, you twits!!!!

Lincoln (afraid): No!! Do not do that!

Florence: It will literally make us glow!

Tabitha: Too late, chingudeu! You are drinking it right now.

Both (gasping, screaming in fear): NOOOOOO!!!!

(Tabitha spills the neon potion drink at Lincoln and Florence, and the glass shatters)

That night, when they arrived at the dark hotel room....

Lincoln (surprised): What happened? Why are Florence and I glowing in the dark?

Helga: Because, Herr Lincoln, Herrin Florence, Tabitha just forced you to drink the neon potion, but you tried to stop her. I actually don't have a glow.

Florence: This is all Tabitha's fault. We tried to stop her from forcing us, and it spilled on us. But at least Lincoln and I can see anything in the dark room.

(phone rings, beeps)

Amy (on the phone): Long time no see, Florence! What happened to you?!

Florence: Lincoln and I tried to stop Tabitha from making us drink the neon potion, but she spilled it on us. This is all her fault!

Amy (on the phone): That is why, Herrin Florence, you and Lincoln are glowing in the hotel room with lights off? Can I talk to him now?

Florence passes her phone to Lincoln so he can talk to her best friend Amy.

Lincoln: Good evening, Amy! I just drank the neon potion. so I'm glowing in the dark room.

Amy (on the phone): You drank it? Why?

Lincoln: Because Tabitha, a knucklehead, was filling the glasses with water, but she added the neon potion on them, and she mixed it. She also forced us to drink it. Our eyes are glowing because of her!

Amy (on the phone): At least you and Florence can see Helga in the dark room. Can I talk to her now?

In the other room, Tim and Ronnie Anne are playing Snakes & Ladders. The hotel room has the lights on.

Tim: Now it's my turn, Ronnie Anne.

Ronnie Anne: Okay, Señor!

(Tim throws the dice into 6 moves)

Tim: Okay, Ronnie Anne. Since I'm in step eighty-two, right behind you, I will be moving six spaces forward into the eighty-eighth step.

Ronnie Anne: I sure hope you win!

Suddenly, there is Tim's best friend, a short eighteen-year-old Brazilian boy, who has arrived at Ronnie Anne's hotel room with his bags. He rings the doorbell, and Tim opens it for him.

Brazilian boy: Bom dia, pessoal!

Tim (gasping happily): Benicio Silva! Long time no see, best friend! This is my new friend, Ronnie Anne Santiago.

Ronnie Anne: ¡Hola, nuevo amigo! I think you resemble my younger cousin, Carl Casagrandé, except you are two years younger than me. You must be a young boy who came from Rio de Janeiro, Brazil. It's nice to meet you, Benicio Silva.

Benicio: Bom ver você também, Ronnie Anne! You must be a friend to a white-haired boy named Lincoln Loud. You know, my eyebrows are usually thinner than Carlino's.

Ronnie Anne (chuckles): Don't be silly, niño. Anyways, you may watch us play Snakes & Ladders.

Benicio: Sim, senhora! I will cheer for Senhor Tim!

Tim and Ronnie Anne continue playing Snakes & Ladders while Benicio watches them and cheers for them.

Back in Lincoln's hotel room, during bedtime.....

Lincoln (calling Ronnie Anne): It's bedtime now, Ronnie Anne. Florence and I are tired now. We're going to sleep now. Good night!

Ronnie Anne (on the phone): ¡Buenas noches, Lincoln! (call ends)

Lincoln: Whew. I just finished my call with her. Good night, Florence!

Florence: Nighty night, Lincoln! It's time for us to sleep.

Helga: Guten Nacht, Freunde! I'm also ready to sleep.

Lincoln and Florence go to sleep after saying goodnight, but they are still glowing. Helga also sleeps on the other side of the bed where Lincoln is. She wants to sleep with him.

Act 3

The next day.....

Lincoln (yawns): I'm awake already everyone.

Florence (yawns): Good morning, Lincoln! How was your sleep?

Lincoln: It was fine. Wait. What about Helga? Did we wake her up?

Florence: Nope. I will wake her up now.

Florence approaches Helga on Lincoln's bed to wake her up.

Florence: Helga! Helga! Rise and shine, Freundin!

Helga (yawns): Guten morgen, Florence! Morgen, Lincoln!

Both: Good morning, Helga!

Helga: Are you guys ready for breakfast, and for the hangout with Ronnie Anne at the mall?

Both: Yes, we are!

Lincoln: Florence and I need to prepare our clothes for the outing at the mall.

Helga: Okay. You better get ready before your breakfast time is over.

Lincoln and Florence start preparing for breakfast, then for their outing.

A few minutes later.....

Lincoln: Well, Florence, we're ready for our hangout with Ronnie Anne at the mall!

Florence: Good to hear, Lincoln! (to Helga) Do you wanna come with me to the mall?

Helga: Ja. I'm coming.

In Ronnie Anne's hotel room.....

Ronnie Anne: Adios, Tim! See you later! Make sure not to quarrel with Benicio. He's your best friend.

Tim: La gorn, Ronnie Anne! See you later!

Ronnie Anne: I'm going to Lincoln's hotel room now so I can call him. I'm also calling Florence and Helga so they will come with me to the hangout.

After Ronnie Anne calls Lincoln and his friends to leave the hotel room, they prepare their euros in their wallets, while they are waiting for a van ride to the mall. Just then, Zyra has approached them and chases them and tries to stop them from taking a ride in the van.

Lincoln: Helga, Florence, we need to hurry up so we can get on the van. You too, Ronnie Anne! I need you to hold my hand, so Zyra won't catch us.

Zyra (sternly): Hey! Get back here, you idiots! I'm forbidding you to ride a van going to the mall!

Florence: Just focus on where we're going, Lincoln and Ronnie Anne! We need to rush to the van!

Lincoln: Yeah. We must focus on hanging out!

They rush to the van so they will be safe from Zyra.

Zyra (in distance): Open the door! OPEN THE DOOR, YOU TROUBLEMAKERS!!!!

Florence: Don't listen to Zyra, my friend. Lincoln and Ronnie Anne are safe now. We are also safe from her.

Helga: I think I'm happy we lost her now!!!

Florence: She would never approach us so we will be safe.

Van driver: And off we go, passengers!!!!

(van engine revs, tyres screech)

Zyra (sadly, left behind): I should've forbidden them from going to the mall.

Back at the Royal Woods airport, Akiko and Amy are waiting for Vanzilla, a vehicle that Kara is riding on so they could take a ride. They're carrying their baggage with them.

Kara (opening Vanzilla's door): Hi! Welcome to Royal Woods, new friends! My name is Kara Torres. Mrs. Loud allowed Lincoln to add me as a friend. What are your names?

Amy: Hello, Kara Torres! Nice to meet you. I'm Amy Browning from England. I'm dual-citizenized with Germany.

Akiko: I'm Akiko Nakamura from Japan. You already know me, Kara. Can we go on a ride in Vanzilla?

Kara: Uh, sure, girls. You may. But you must stay with me while Lincoln isn't around.

Both: Okay, Kara!

(door closes)

Rita: Off we go, girls!

(Vanzilla accelerates)

On a ride on Vanzilla....

Akiko: So, Kara, I'm actually not used to girly stuff. I love sports cars!

Kara (surprised): What?! Are you similar to me?! We're both tomboyish!

Amy: Ja. Both of you dislike girly stuff, just like Lana, the sister of Lincoln Loud.

Akiko and Kara: Yes, we are!

Kara: When we go to the Loud house, we will hang out there and play video games.

Kara texts Lincoln and asks his permission if she and her new friends can play video games in his house.

When Lincoln replies to Kara's message...

Kara (happily): Aha! Lincoln replied to me with a "Yes"! The three of us can play video games at his house!

Lynn, Sr.: Make sure you will take turns in playing the video game so that Lincoln will not see you arguing.

Akiko and Amy: Yes, we will!

Kara: All right! Let's enter the Loud House so all of us can play video games. If Lincoln sees us fighting, we will get suspended. Okay?

Akiko: Akiko copies, Kara-chan!

Back in Germany, at the department store....

Florence (sneaking while Lincoln is in the bathroom): Lincoln, my boy! Are you finished using the loo?

Lincoln (in distance): Nope. Not yet. You and Helga can wait for me there. Ronnie Anne is still shopping for outfits as a gift for Tim.

Florence: You better hurry up, Lincoln! She's paying for the items that we literally bought from the store.

Lincoln (when he gets out of the restroom): I'm finished. Now my hands are clean! I need to call Ronnie Anne.

Florence: Okay, Lincoln. But you literally need to bring her to me and Helga while we're using the loo.

At the cashier's counter.....

Lincoln (calling Ronnie Anne): Ronnie Anne! Ronnie Anne! Florence and Helga are in the bathroom. You better hurry up so we will approach her when they get out.

Ronnie Anne: Ronnie Anne copies. I'm putting the items we shopped for in the shopping bag. You may wait for Florence and Helga in front of the baños. I'll follow you there.

In the hallway, near the bathroom.....

Lincoln: Florence! Helga! Hurry up, so that Ronnie Anne and I can leave the mall. You girls must follow us.

Both: We're coming, Linky!

Lincoln: Good. Now let's go to Ronnie Anne. Quickly!

Tabitha and Zyra (in the distance): What are you doing here?

Florence: We need to go back to Ronnie Anne!

Helga: Schneller!

In the department store at the mall, Lincoln and his friends are running while Tabitha and Zyra chase them. They need to go back to Ronnie Anne before Zyra kidnaps them, and before Tabitha kills them with a poison machine.

Lincoln: Ronnie Anne, hurry up. We need to get out of the mall before Tabitha kills us!

Ronnie Anne: Si, Señor! Florence, Helga, you need to hold hands with one of us.

Lincoln: Florence, you'll hold hands with Ronnie Anne....

Florence: Got it.

Lincoln:and, Helga, you'll hold my hand.

Helga: Copy!

("99 Luftballons" by Nena playing)

Woman (singing on radio): 99 Düsenflieger,
Jeder war ein großer Krieger!
Hielten sich für Captain Kirk,
Es gab ein großes Feuerwerk.
Die Nachbarn haben nichts gerafft,
Und fühlten sich gleich angemacht....

With Lincoln and Florence holding hands with their partners, they hurry up to the van to go back to the hotel before Zyra and Tabitha see them.

Van driver: Fasten your seatbelts, everyone!

Lincoln (screams): Oh, no! Zyra will kill us!

Helga: Don't worry, Herr Lincoln! I'll hold you!

Van driver: And off we go!!!!

(van accelerates)

Tabitha (furiously): Hey!!! I'm forbidding all of you to bring the shopping items you bought!

(Zyra panting while she and Tabitha run after the van)

Zyra: We will sneak into the van and kidnap those passengers!!! (growls)

They stop while the van drives away from the mall, going back to the hotel. Zyra angrily throws an empty cup on the ground.

Act 4

The next day, Lincoln and his friends, along with Tim McLaren, were leaving the hotel room. Tim says goodbye to his best friend Benicio, who he will miss very much.

Tim: See you next time, Benicio! Be sure to remember me!

Ronnie Anne (sobbing): Adios, Benicio Silva! We're leaving for Italy.

Tim: Awww! Don't cry, Ronnie Anne! We will see him next time.

Benicio: Tchau, pessoal! I will see you both soon in Great Lakes City.

Meanwhile, Lincoln, Florence, and Helga approach Benicio so they can say goodbye to him.

Lincoln: Hello! You must be Ronnie Anne's new friend Benicio Silva from Brazil. My friends, along with Florence and Helga, are coming with me to Italy.

Benicio: Oh! Ola, Lincoln! Bom dia, Florence! Bom dia, Helga! I will miss the three of you! See you next time, in Royal Woods!

All: Bye-bye! We're leaving for Italy.

("Rotolando Verso Sud" by Negrita playing)

Lincoln and his friends give Benicio a hug because they would miss him, and they leave for Italy. They are taking a ride on the van going to the airport for the trip to Italy.

Radio (singing): Sopra a un'onda stanca che mi tira su, (Long way home!)
Mentre nuovo verso sud. (Long way home!)
Sopra a un'onda che mi tira su, (Long way home!)
Rotolando verso sud. (Long way home...)

A few hours later.....

Announcer on the PA: Signore e signori, welcome to Bologna, Italy! Thank you for choosing Air Germany, tutti!

Helga: Yay! We're now in Italy, guys! We can put out our baggage now.

Florence: Lincoln, are you excited to see my friend Giuseppé Filliponio?

Lincoln: Yes, I am!

Florence: What about you, Ronnie Anne? Are you also excited?

Ronnie Anne: ¡Si, señorita! Lincoln and I are excited to see your amigo Giuseppé.

Helga: All right! Jetzt, los geht's!!!!

Lincoln and his friends get off the plane, and show their passports to the counter, as they line up. When they arrive at the baggage claiming station, a young boy approaches them.

Italian boy (to Florence and Helga): Ciao, ragazze! Long time-a no see.

Both (gasping happily): Giuseppé!!!

Florence: It's so good to see you again! (to Lincoln and Ronnie Anne) I would like you to meet Giuseppé Filliponio. He is literally the grandson of Vito.

Lincoln: Hello, Giuseppé boy! I knew you resemble Leif Loud, my sister Lana's male counterpart. Except you are younger than me and my friend Ronnie Anne.

Ronnie Anne: Good to see you, señor!

Giuseppé: Anche a me fa piacere vederti! Now let's-a get your baggage so we will go on a van ride!

All: We're coming!

Back in Royal Woods, Benicio arrives at Lincoln's house to meet his friend Kara.

Kara (to a Brazilian boy): Hello, new friend! Welcome to the Loud house. This is the place where Lincoln Albert Loud lives. My name is Kara Torres, and I'm from America.

Benicio: Benicio Silva from Rio de Janeiro.

Kara: Nice to meet you, Silva! Do you want to be my partner when we hangout?

Benicio: Sure! Let's go to the park!!! Amy and Akiko are waiting for us.

Kara: We will have our helmets ready so we can go bicycle riding.

(phone ringing, beeps)

Lincoln (on phone): Hello, Kara! We are now in Italy. I would like you to meet Florence's teammate Giuseppé Filliponio.

Kara: Let me talk to him in a while.

Lincoln passes his phone to Giuseppé so he can talk to Kara on the video call.

Lynn, Sr.: I'm sure my son Lincoln is making friends with new people around the world. I hope I will like them.

At the park, near Royal Woods.....

Sid: Hi! I'm Sid Chang. I wish to join Ronnie Anne and Lincoln on their adventures around the globe. What are your names?

Akiko: Konnichiwa, Ms. Chang! My name is Akiko Nakamura. Lincoln already knows who I am. This is Florence's best friend Amy Browning. We are her groupmates.

Amy: Hello, Sidney! Nice to meet you, meine Freundin!

Sid: Akiko, do you wanna be my partner and play together in the park?

Akiko: Hai! Let's go walk in the park!

Sid has started making friends with Akiko, a tomboyish girl. Akiko tells her what will happen if Tabitha kidnaps his friends.

Back in Ferrara, Italy....

Lincoln: Wow! This pension house is sooooo cool!

Giuseppé: Don't-a mention that, signore. We will have a fun day with our friends-a at the swimming pool the next-a day.

Ronnie Anne: We should charge our gadgets in our pension house cabins when we get there. Tim will go with me to that cabin.

Lincoln: Okay! Then Florence and I will stay in the other cabin room. Helga can join us there.

Ronnie Anne: Okay. ¡Adiós, Lincoln! ¡Adiós, chicas! Giuseppé will join me in going with Tim to that cabin room.

All: See you guys tomorrow!

Tim: See you tomorrow, everyone! I'm going with Giuseppé and Ronnie Anne.

Lincoln, Florence, and Helga went to their cabin room so they could charge their gadgets on the desk near the wall.

Tabitha: Zyra, you and I will be the targets for the stupid kids when they have a swimming race tomorrow.

Zyra: I agree with you, Tabitha. We're going to another cabin room so we can put the weapons on the desk there.

In the Casagrandé apartment.....

Lori: Boo boo bear, my brother Lincoln is literally making new friends with other foreigners.

Bobby: My sister Ronnie Anne is hanging out with Tim McLaren, a Thai-British boy, and they are travelling in Italy. I wish to meet him soon when she comes back, babe.

Lori: Really, boo boo bear? I wish to see Lincoln's new friend too. I miss him too.

Amy (in the distance): Hello, guys!

Lori: Oh! It must be the taller best friend of a British girl who loves to say "Literally"!

(Bobby opens the door for Amy)

Amy: My name is Amy. I'm twenty-two years old. I live in Great Britain. It's so nice to meet you! What are your names, neue Freunde?

Lori: Hello, Amy! Nice to meet you too. I'm Lori. I'm twenty-six years old. This is my boo boo bear, Bobby.

Bobby: Oh! ¡Hola, señorita Amy! How was your bonding with Florence?

Amy: It is so wunderbar, Herr Bobby! I miss Florence so much. She went along with Lincoln and his friends to Italy. You and I will bond to Gus Games n' Grub. (to Lori) Auf Wiedersehen!

Lori: I'll see you later, boo boo bear! Stay safe!

Amy and Bobby leave the Casagrandé apartment, after waving goodbye to Lori.

The next day back in Italy....

Florence (to Lincoln and Ronnie Anne): Guys, this will be a swimming race. Whoever watches out from the killing machine that the villains have is the winner. The one who gets caught by a villain throwing water balloons is the loser, and will drown.

Tim: Put on your goggles, guys! The villain will throw the water balloon at the players. Whoever dodges them will earn points. But whoever gets hit three times will lose the swimming race, and will be out.

Lincoln: I'm ready for the swimming race, guys!

Ronnie Anne (chuckles): No one will beat me when watching out for the villains.

Giuseppé (angrily): It's-a not funny, Ronnie Anne. You might hurt Lincoln's feelings. There's no need to be mischievous. (kindly) Helga, you will be in-a charge of the signal.

Helga approached the place near the swimming pool to watch Lincoln and Ronnie Anne racing.

Helga: On your mark, get set.... Eins for the money, Zwei for the show. Drei to get ready, and vier to..... GO!!!!

Lincoln and Ronnie Anne have started the swimming race. Zyra is throwing water balloons at the players during their swimming race.

Florence: Lincoln is dodging the water balloons! Ronnie Anne gets hit by the water balloon that Zyra throws.

Ronnie Anne: ¡Ay! Are you kidding me?

Lincoln: I'm winning, slow poke!!!

Tim: Oh, no! Ronnie Anne got hit again! One more hit on her then she's the loser!

Ronnie Anne: I will beat you, Lincoln!!!

(Zyra hits the water balloon at Ronnie Anne)

Florence: And Lincoln finishes first!!! He wins! Ronnie Anne gets a third and last hit. She loses the race.

(Ronnie Anne groans)

Lincoln: Yay!!! I won! I won! (gasps) Ronnie Anne? Are you okay?

Ronnie Anne: Nope. I'm not okay. Zyra gave me three hits when I had a race against you.

Lincoln: Aww. Don't worry, ma'am. Let me bring you to the lounge so you can rest there.

Ronnie Anne: Sure thing, Linky.

Ronnie Anne wants to rest in the lounge because she gets hit thrice by the water balloon that Zyra threw. Tim approaches her, then taps her on her forehead.

Tim: Ronnie Anne, are you okay? Is something painful?

Ronnie Anne: No.

When Lincoln and Florence change their clothes.....

Lincoln: I guess we're not gonna continue swimming. Let's go walking in the park. (spider climbs on his back)

Florence: Yeah, Lincoln. We should walk around the park near the pension house. (noticing) Wait. Is that literally a spider on your back?

Lincoln (gasps): Why is it crawling there? Did you notice it?

Lincoln looks at the mirror as Florence makes it face his rear view, and he sees a spider climbing on his back. He notices it goes to his shoulder.

(spider hisses at him)

(Lincoln screams, then runs)

Florence: Lincoln, wait! (chases him) I'm going with you.

Lincoln and Florence have left the pension house so they would have a walk in the park. Meanwhile, Tabitha approaches them and tries to catch them.

Tabitha: Who will I kill dead? I have a virus machine gun with me.

Lincoln (screams): Oh, no! Tabitha will kill us. I am gonna fight with her.

Florence: Lincoln, wait! Where are you going?

Lincoln: I'm battling with Tabitha in the farthest part of the Ferrara park.

Tabitha (angrily): You think you can battle with me, Lincoln?!

(Lincoln and Tabitha start fighting)

Zyra goes to the Ferrara Central Park watching Tabitha and Lincoln quarreling at the playground.

Zyra: I see the two of you fighting in the playground.

Tabitha: I will chase you right now, so I will give you some bruises.

Lincoln: You will never win, Korean girl. You are going down!!!!

As Tabitha and Lincoln are on the playground, they have a battle. Lincoln runs away from her, but she tries to shoot him with a virus machine gun. She is about to prick him with an injection.

Tabitha: Say goodbye, Lincoln! You are going to be dead.

(Lincoln gasps)

Florence is running to the playground to stop Tabitha from killing him.

Florence: Tabitha, no! You're literally trying to kill my friend.

Tabitha: What kind of fool do you take me?!

Lincoln (angrily): Are you serious, Tabitha? You will totally spread the virus on me when you aim it at me.

Zyra: I'm also going to throw the giant ball at that guy.

Tabitha was about to get Lincoln killed, but she got betrayed by Zyra and became a neutral girl.

Lincoln: Wait a minute. Why do you get betrayed?

Florence: Literally right he is. Why would Zyra betray you?

Tabitha: That's because Zyra told me to kill the heroes, but then I became a hero to both of you.

Back in Lincoln's home....

Carlitos: A Korean-American girl named Tabitha was fighting with Lincoln, your older brother. How come she became a good girl to him?

Lily: Oh, hello, Carlitos! You must be Ronnie Anne's cousin. Tabitha got betrayed by another villain named Zyra after she stopped harassing Lincoln.

Carlitos: Really, señorita? I thought she was a friend to Zyra, but now she is neutral.

Lily: Oh. She was about to get Lincoln dead, but she put the gun down so she became a hero. It will be Zyra who is the only villain in the world.

Back in Ferrara Central Park....

Zyra: I'm throwing water balloons at you now!!!! (chuckles)

(all screaming)

Lincoln: Let's get out of here!!

Florence: Quick! Before she literally sees us.

Lincoln and Florence run away, but Tabitha is still walking when they tell her to run.

(Tabitha groans in pain)

Lincoln (gasps): Tabitha!!!! (looks back at her when she gets injured) Oh, no! Tabitha, are you okay?

Florence: We literally need to save her.

They both run to Tabitha and help her leave the park before Zyra throws the water balloons at her.

Lincoln: Okay. On three. I will help Tabitha stand up.

Florence: I will literally help you, Lincoln. One... two... Three!!!

But Tabitha can't stand up because of the injuries. Lincoln is not strong enough to lift her. Florence will lift her for him instead.

(Florence grunts while helping Tabitha stand up)

Florence holds Tabitha's hand so they will leave the park before Zyra hits them. Lincoln joins them returning to the cabin room.

When they return to the cabin room.....

Lincoln: Whew. I helped you lose Zyra.

Tabitha (angrily): Don't talk to me. I'm in a bad mood.

(Lincoln also throws an empty can at Tabitha)

Tabitha (when she gets shocked): How dare you throw the empty can at me when I feel annoyed!

Lincoln: Why did I help you leave the park?

Tabitha (throwing a giant ball at Lincoln): Because YOU were the one who looked back at me, and you tried to help me go to the cabin room!

Florence (approaching Lincoln and Tabitha): Wait a minute, Tabitha. Lincoln and I were literally helping you run away from Zyra as you became a friend to us.

Tabitha (angrily): Really? I was fighting with you in the playground at the Ferrara Central Park but then Zyra betrayed me, then I turned into a hero afterwards. It's only Zyra who is Chandler's friend.

Florence: I literally know, Tabitha. You began being our rival when we had a trip around the world. You also became Ronnie Anne's rival.

Tabitha (sighs): Wise words, chingu. I was approaching Chandler, and so did Zyra. I asked him for permission if Zyra and I could travel around the globe, then we waved goodbye to him before we left. And now I hate him.

Ronnie Anne (in distance): Amigos! I'm feeling better now. Tim has treated me very well.

Lincoln (gasping): Look, Florence! It's my friend Ronnie Anne.

Ronnie Anne: ¡Hola, amigos! How was your trip to Italy?

Lincoln: Florence and I enjoyed it and it was fun!!!

(They look at Tabitha, still feeling grumpy)

Florence: Come on, science girl. We're literally not yet finished with the fight.

Lincoln: What are you waiting for? Let's finish the fight.

Tabitha (sighing): At the hotel in Tokyo, Zyra and I approached you so we became your rivals. First, Lincoln, you and Ronnie Anne met Akiko Nakamura at the airport, then I chased you as you ran to the van. Zyra also went with me chasing the heroes, like you, and I harass you always, and always, and always, and always, and.....

Lincoln: Okay. Okay. You will never harass me and my friend Ronnie Anne. This action is what you will promise to me and my friends.

Florence: We will literally forgive you from now on. You don't have to be our rival anymore.

Tabitha smiles at Lincoln and his friends. He starts to hug her afterwards.

Lincoln: Nice hug, Tabitha! Ronnie Anne, Florence, do you girls wanna join us.

Florence: I literally want to hug you.

Act 5

Back in Royal Woods....

(phone rings, beeps)

Kara: Hello, Lincoln! Seems like you became a good boy to Tabitha.

Lincoln (happily, on Kara's phone): Well, Kara, it's not just me. My friends Florence and Ronnie Anne also became a friend to her. I want you to talk to Tabitha.

Kara: Okay.

Lincoln passes his phone to Tabitha so she can talk to Kara.

Tabitha (on Kara's phone): Annyeong, chingu! It's me. Tabitha Roxanne McQueen. Better known in Korean as "Jang Chae-won". I like science. I became a nice girl to your friend Lincoln.

Kara: Wow!! You started being good-influenced with your new rivals? That's nice to hear. The Action News team would like the way you made friends.

Tabitha (on phone): Jinjja? I finally got betrayed by Zyra Jackson. I'm so happy about this! I gotta go now.

Kara: I can talk to Lincoln now. See you, Tabitha!

In Great Lakes City, Sid approaches Ronnie Anne's cousin, Carlitos, so she would tell him about Tabitha's friendship.

Sid: My best friend Ronnie Anne, along with Lincoln, considered Tabitha as a friend to them.

Carlitos: Really, Sidney? She did? That is nice of her.

Sid: This is a very good thing she does. She never becomes an enemy to them anymore. That's why Zyra is the only villain my friends would know.

Carlitos: Si! It looks like my cousin Ronnie Anne is making friends with her rival Tabitha. I wish I could meet her soon.

back in Italy....

Lincoln: Let's pack our things for the next trip to Canada.

Florence: Florence copies.

Tabitha: I'm joining you on the trip to Canada.

Lincoln: Let's get ready, guys!

Lincoln and his friends are preparing their stuff for the trip to Canada. Helga and Tim want to join them.

Lincoln: Tabitha, we're now finished packing our stuff. We need to hurry up to the van before Zyra catches us.

Tabitha: Copy that!

Florence: Ronnie Anne and I are coming as well!

Tim: I'm coming too!

Helga: It's time to say goodbye to Giuseppé. We'll miss him.

Giuseppé: Arrivederci, everyone! I'll miss you all!

All: Bye, Giuseppé! We'll see you next time, in Royal Woods!

(everyone hugs him)

Giuseppé: I'm-a going to Great Lakes City to meet Nikki Trott, the amica of Ronnie Anne. See you soon, amici!

They are leaving the pension house, hurrying up to the van while Zyra chases them.

Zyra: Let me in the van! I'll kidnap all of you!

Lincoln: Tabitha, hurry up! Close the sliding door of the van before Zyra catches us!

(door closes)

Florence: You literally need to lock the door before Zyra comes in. She's chasing us in a taxi.

Ronnie Anne: We need to wear seatbelts so we'll be safe going to the airport.

Van driver: And-a off we go!!!!

(van drives away)

Lincoln and his friends, along with Tabitha, are taking a van to the airport to board a plane to Canada.

A few hours later....

("Just Keep Watching" [Loud House version] playing)

Lincoln: We're now in Canada, my friends! Let's get our baggage at the claiming station.

Just then, a French-Canadian girl arrives to see Florence and Helga.

French-Canadian girl: Bonjour, girls!

Florence (gasping): Yvette!! Long time no see. This is Lincoln Loud, and his friend Ronnie Anne Santiago.

Lincoln: It's a pleasure to meet you, Yvette. I made friends with my new rival Tabitha. How old are you now?

Yvette: I'm nineteen years old now, new friend. What about you, Ronnie Anne?

Ronnie Anne: I'm twenty. I'm the same age as Lincoln.

Tim (approaching Yvette): Nice to meet you, Yvette! And my name is Timothy McLaren, Jr. I'm nineteen and a half years old. I'm a Thai boy from Great Britain.

Yvette: Nice to meet you too, Timmy!

Lincoln: We need to hurry up to the van before Zyra catches us.

Lincoln and his friends bring their baggage to the van and hurry.

Ronnie Anne: Come on, Tabitha! We need to hurry before Zyra sees you.

Tabitha: Algesseo!

(Tabitha holds hands with Ronnie Anne as the latter helps her rush to the van)

Ronnie Anne: I can help you put the bags in the van's trunk! (grunts)

Florence: Tabitha! Ronnie Anne! Hurry up! The boot on the van is closing! Zyra might steal our bags!

Ronnie Anne: We're coming, Flo!

(door closes)

van driver: And off we go!!!!

(van accelerates)

When they arrive at the hotel....

Van driver: Passengers, we're now in Vancouver. Please get out of the van, so you can get your bags out of the trunk.

All: We're now in the English Bay Hotel!

Helga: First we need to check-in to know which room we're staying in.

In the hotel room, when they wear beach attire...

Lincoln: Let's go on a walk at the beach.

Ronnie Anne: I'm in!

When they leave the hotel room....

Florence: Wow! The beach is very nice! Maybe we can literally walk around?

Lincoln: Really, Florence? It's fun here at the beach!

Tabitha: I wanna play in the sand with Helga. See you all later!

Meanwhile, Zyra arrives near the hotel so she can sneak in on them at the beach.

Zyra: Those stupid kids are on the beach again? I will forbid them from playing there.

("Survivor" by Destiny's Child playing)

Lincoln: Oh, no! It's Zyra! She'll kill us!

Florence: I'll literally save you, Lincoln!

Helga: I'll get the baseball bat to hit Zyra. I'll be right back, freunde!

A few seconds later....

Helga: Here. I got it. All of us will defeat Zyra. Even you, Tabitha. We'll work as a team.

Tabitha: Algeess-eo!

Lincoln and his friends run to Zyra to defeat her.

Lincoln (angrily): It's over, Zyra! I'll shoot you with my gun.

Zyra: NOOOO! Lincoln, you will not do this!!!!

Tabitha: It's time to shoot you, Zyra!

(Zyra screams, runs away)

Florence (imitating gunshots): I will literally kill you, Ms. Zyra Jackson. Your time is over.

Zyra: No! You can't do this. You two are going to get me into trouble.

Lincoln and Florence are chasing her as they run on the sand. They try to catch her. Ronnie Anne joins them too.

Ronnie Anne (holding a sword): CASAGRANDE POWERRRRRR!!!!!!

Zyra: You're pushing me very hard, Ronnie Anne! I'll kill you!

Lincoln and his friends approach Zyra to beat her up during their final fight.

Tabitha: You can do it, Lincoln! I know you're strong like Ace Savvy.

Lincoln: I never did taekwondo moves before, when I was a kid.

(Zyra gasps)

Lincoln and Ronnie Anne: HAIIIIIIIIIIIIIIIIIIIIII-YAHHHHHHHHHHH!!!!!!!

(They punch Zyra harder)

Zyra (gasping): My weapons! You broke them! NOOOOOOOOOOOO!!!!!! You troublemakers are going to pay for these!

Zyra tries to stand up but can't. She falls on the waves of the beach with her bones broken.

Tabitha: We did it, friends! We've beaten Zyra!

Tim: Congratulations to us all!

Helga (to Lincoln and his friends): I'm so happy you've beaten Zyra!

Florence: Let's head back to the hotel room.

Lincoln: Okay. We're coming!

Lincoln and the rest of his friends head back to the hotel room to get themselves clean.

On the waves....

Zyra (groaning): I got defeated by those troublemakers.

Police officer (in the distance): Hey, you! Why don't you come with me in the police car? You, very naughty girl. I'm sending you to the police station for investigation.

Zyra: Hey! Put me down! You can't arrest me!

Police officer: You are under arrest.

(Police officer throws Zyra in the police car, then it accelerates)

Two days later, when the friends go back to Royal Woods....

("The Loud House" theme song playing as blues)

Lincoln: Let's head to the park now, my friends! I'll introduce you to Florence White from Oxford, England.

Florence: Hello, Action News team! We finally defeated Zyra during the final fight.

Stella: Hello there, Archambeau! Nice to meet you. Do you wanna be my friend?

Yvette: Oui! Why not?

Stella: Okay then, let's go!

At Lincoln's house.....

(Tabitha knocks the door in distance)

Rita: Come in! (runs to the door, and opens it for Tabitha)

Tabitha: Hello, Mrs. Loud! It's me. Tabitha. I live in Hyunkwon, Seoul, South Korea. I'm a new friend to Lincoln and his friends.

Rita: Oh! Hey, Tabitha! Do you wanna hangout with my daughters?

Tabitha: Sure, Mrs. Loud! (starts shaking Rita's hand)

Rita: Okay! But no quarreling! They're your friends now.

Lynn, Sr.: My wife is right. No more quarreling from now on.

Tabitha: Okay, Mr. and Mrs. Loud. I'm starting to be gentle to the Loud sisters when Lincoln is not around. He's hanging out with his friends.

Meanwhile, there is someone who came from Camp Mastodon, approaching Lincoln and his friends.

Back at the park.....

Lincoln: Bye, Stella! Do ask for Florence's friend Dave Weathers when you visit England. Maybe next time.

Stella: Okay! Bye, Lincoln! Bye, Florence! I'll miss you. I'm heading to my house to have my bags prepared. Make sure to remember me!

They wave goodbye to Stella. Tim and Ronnie Anne are going on a playdate at the Casagrandé apartment, and Florence joins Lincoln in his hangout with Iggy and Marshall.

Holdin' hands with your heart to see you!
Only blue talk and love, remember.
How we knew love was here to stay!!!

The next day in the Loud house after Lincoln adds Florence on Messenger.....

Rita: Lincoln, you need to create a beautiful welcome card for Florence, because she will visit our house tomorrow afternoon.

Lynn, Sr.: Add color on the welcome card for the British girl so that she can see what you've made when she arrives tomorrow.

Lincoln (whooping): I'm sure Florence is excited to see us tomorrow afternoon!! I'm going to my room because it's bedtime.

Loud parents: Good night, Lincoln!

Rita: Be sure to wake up early because I added Hermione Hamilton-White as a friend on Messenger. She is Florence's mom. She will come to our house tomorrow. Nighty-night, Lincoln!

The next day.....

Lincoln (opens the door): Welcome to the Loud house, Florence! I would like you to meet my sisters. (when he lets Florence in) This is Lori Loud, the oldest Loud sister....

When they go out of the house....

Lynn, Sr.: Picture time, everyone! Smile!!!

(camera clicks)

Back in the Casagrandé apartment, Tim and Ronnie Anne are having a playdate in the evening. But suddenly, Tabitha arrives, and rings the doorbell.

Ronnie Anne (gasps): It must be someone who made friends with Lincoln.

(door opens)

Tabitha: Annyeong, chingudeul! I created the glow potion for you.

Tim: Tabitha!!! It's been a while since we last saw each other. Thank you for that!

Tabitha: Both of you will drink it, just like when I forced Lincoln and Florence to drink it.

(both gulping)

Tabitha: That will work, guys. I will switch the lights off so that I will find out how it works.

The lights in the Casagrandé apartment get turned off.

Tim: Look at us, my friend! We're glowing in the dark room in the flat!

Ronnie Anne: Now we can see the dark room. Just like Lincoln and Florence glowing in the dark room in the Loud house.

Tim: Yeah. Tonight we will sleep in the bed while we are glowing.

(Screen fades)

When the end credits start.....

("Life is Better Loud [Florencecoln version]" playing)

Lincoln (singing): Woke up just like any morning.
A new day sent sunlight pouring down!
Danced on to the beat of drumming,
High hopes get my feet off the ground.
(spoken) Take it away, Florence!

Florence (singing): Heart stopped, didn't see you coming!
Felt like you took my breath away!

Lincoln: (Took my breath away)

Florence: I knew this was the start of something,

And I think I knew you felt the same.

Lincoln: (I felt the same)

Florence: Time frozen,

Lincoln: Eyes open,
Spun my world around in motion!

Both: Just a step away,
Just a slip of fate!!!

Lincoln: Oh, you'd never know how one simple interaction,

Florence: Could lead you down a road where anything can always happen!

Both: The picture in our mind changes all the time,
Bigger than what we'd imagined.
We wouldn't change a thing about it now,
Life is better loud!!!

Lincoln (spoken): Hey, Florence! Mind if you dance with me?

Florence (spoken): Sure!

When they start dancing....

Lincoln: Mom! Dad! We're dancing!!!

Florence (laughs): Don't be silly, Lincoln! We're just jiving to the music.

Lincoln: I will spin you around while we dance in the ballroom.

Florence: You're literally making me dizzy, boy.

In Lincoln and Florence's future....

Lincoln: Will you marry me, princess?

Florence: Yes I do, prince.

(kissing)

Lincoln (singing): Ain't no stopping now,

Florence (singing): Life is better loud!!!

Lincoln: Oh, it feels like home no matter where we are together!

Florence: Wish we'd always known the bigger crowd was always better.

Both: We wouldn't change a thing about it now

Florence: Life is better loud!

Lincoln: (In the Loud House! In the Loud House!)

Florence: Life is better loud!!!

Lincoln: (In the Loud House! In the Loud House!)

Both: Loud House!

(Music ends)

("The Loud House" opening theme song [instrumental] playing)

("The Casagrandes" opening theme song [instrumental] playing)

("Better When I'm Dancing [Lincoln x Tabitha version]" playing)

Lincoln (singing): Hmm, hey, mmh
Hey...

Lincoln: Don't think about it!
Just move your body.
Listen to the music,
Sing, oh, ey, oh...
Just move those left feet!
Go ahead, get crazy.
Anyone can do it,
Sing, oh, ey, oh!

Tabitha (singing): Yeoljeong-i neomchineyo!
Rideum-i jeongmal johneyo!
Show the world what you can do,
Prove to them you've got the moves.
Moreugess-seumnida.

Lincoln: But I feel better when I'm dancing, yeah, yeah.
Better when I'm dancing, yeah, yeah.

Tabitha: Urineun hal su iss-eoyo!
I bet you feel better when you're dancing? Yeah, yeah,

Both: Pa-pa-pa-da-da,
La-la-la-la-da-da.
La-la-la-la-da-da.
Pa-pa-da-da!

Lincoln: When you finally let go,
And you slay that solo.
'Cause you listen to the music,
Sing, oh, ey, oh!
'Cause you're confident, babe.
And you make your hips sway!
We knew that you could do it,
Sing, oh, ey, oh.

Tabitha: Yeoljeong-i neomchineyo!
Rideum-i jeongmal johneyo!
Show the world what you can do,
Prove to them you've got the moves.
Moreugess-seumnida.

Lincoln: But I feel better when I'm dancing, yeah, yeah.
Better when I'm dancing, yeah, yeah.

Tabitha: Oh, urineun hal su iss-eoyo!
I bet you feel better when you're dancing? Yeah, yeah,

Both: Pa-pa-pa-da-da,
La-la-la-la-da-da.
La-la-la-la-da-da.
Pa-pa-da-da!
Pa-pa-pa-da-da,
La-la-la-la-da-da.
La-la-la-la-da-da.
Pa-pa-da-da!

Lincoln: Ey!
Oh, ey, oh,
Oh, ey, oh.
I feel better when I'm dancing (Oh, ey, oh)
I'm better when I'm dancing (Oh, ey, oh)

Epilogue 2 of “Lincoln & Ronnie Anne's Adventures”:

Later in the afternoon.....

Announcer on the PA: Ladies and gentlemen, we have arrived in Warwickshire, England! Thank you again for choosing London Air.

Stella: I can now go to the baggage claim station!

A few hours later.....

British boy: Hello, new friend!!

Stella (gasps): Hi! I'm Stella Zhau. I am the first female member in Lincoln's group. What is your name, new boy?

British boy: My name is Jonathan David Gresley-Weathers. My friends call me Dave. I am the semi-active member in Florence's group. I like joking around with my friends. Do you wanna be my partner?

Stella: Sure, Dave! Let's be partners.... literally!

Dave: Let's hangout at the hotel.

Stella: Yay!!! Sounds fun!!!
